Ladies and Gentlemen:

Included herein is additional information and clarification for the above referenced request for qualification. Please consider all of the information when preparing your submittal. Please acknowledge receipt of this addendum by signing in the space provided and returning it with your submittal.

1. Are you looking for an artist to rebuild the fountain, attach a sculpture to the fountain, or paint a mural on the fountain?

The Fayette County Public Art Committee (FCPAC) is open to all design concept proposals that align with:

- sculpture additions
- fountain structures
- mosaic or stone design additions for the two tier bands
- murals

However, the FCPAC does not wish to 'rebuild' the fountain, only to remodel and add to the body of the fountain.
